Please join us for an important series about you and your heart. Oklahoma consistently ranks at the top nationwide for our poor heart health. Together we can change that terrible ranking. Find out how you can take charge of your heart health with simple changes that can make a world of difference for you, your family & our State.

FREE Blood Pressure & Cholesterol Checks beginning at 11:00am.

FREE Lunch beginning at 11:45.

***Seating is limited, reservation required.
Please call (405) 628.6400***
