

The Oklahoma Heart Hospital Research Foundation, in partnership with Mercy Hospital, created the Clinic for the Uninsured to help Oklahomans who do not have the ability to pay for specialized healthcare. Since opening in 2014, the clinic has provided life-saving care to thousands of patients in need. This would not be possible without generous donors, volunteer physicians and other healthcare professionals.

SERVICES OFFERED

All appointments and services provided by the Clinic for the Uninsured are available at no cost to patients.

HOW TO BECOME A PATIENT AT THE CLINIC FOR THE UNINSURED

- 1 SCHEDULE YOUR APPOINTMENT**
Call (405) 455-5755 or (405) 455-5779.
- 2 COMPLETE PAPERWORK**
You will receive new patient paperwork by mail prior to your appointment.
- 3 ARRIVE 15 MINUTES EARLY ON THE DAY OF YOUR APPOINTMENT**
Bring all bottles of current medications and new patient paperwork to your first appointment.

If you are unable to make it to your appointment, please notify clinic staff in advance. Our no show policy states that without notification of cancelation, you will not be eligible to be seen for further appointments.
- 4 MEET WITH YOUR PHYSICIAN**
Your physician will develop an individualized care plan and clinic staff will discuss the next steps with you.

ADDITIONAL INFORMATION

If your physician feels that you need further services that are not provided by the Clinic for the Uninsured, your case will be reviewed by our medical team and you may be asked to apply for financial aid.

If you are asked to apply for financial aid, clinic staff will discuss the next steps with you to help you get the process started.
