## We are a Provider-Based Facility

Due to recent changes, Oklahoma Heart Hospital is now billing office visits in two parts. You will receive two statements for your services, one from Oklahoma Heart Hospital and one from Oklahoma Heart Hospital Physicians. You will be financially responsible for both. Office visits and other outpatient services may be subject to deductible and co-insurance. If you desire more information before scheduling, please contact our customer service team at (405) 608-1200.

Respectfully,  
Oklahoma Heart Hospital
