

For iPhone

Imprivata Setup

Extra login security made easy

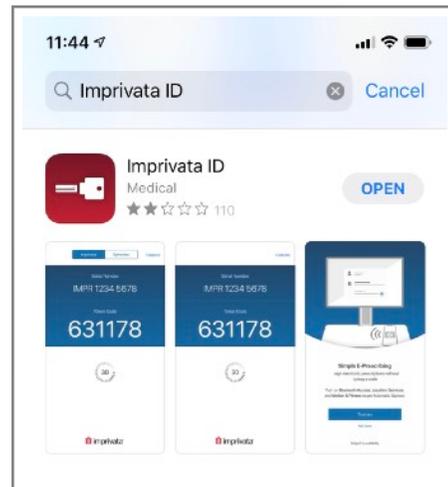

What is Imprivata?

Imprivata is an app which adds critical security to your OHH login with only one tap. When you log in to the OHH Web Portal from outside OHH (not on OHH network) you must type your password *and* tap the Imprivata notification which will appear on your phone.

App Setup

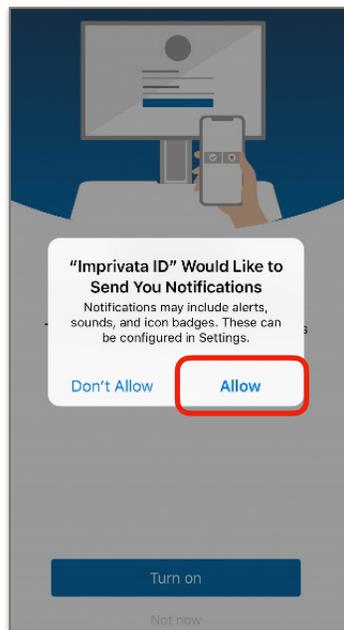

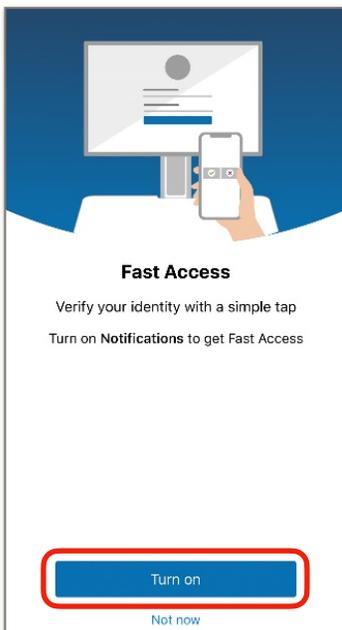

Don't have the app yet?
Search for "**Imprivata ID**" in your App Store.

Trouble downloading?
Call (405) 608-3410

Step 1: Open the app

Tap the buttons circled in red below:

App Enrollment

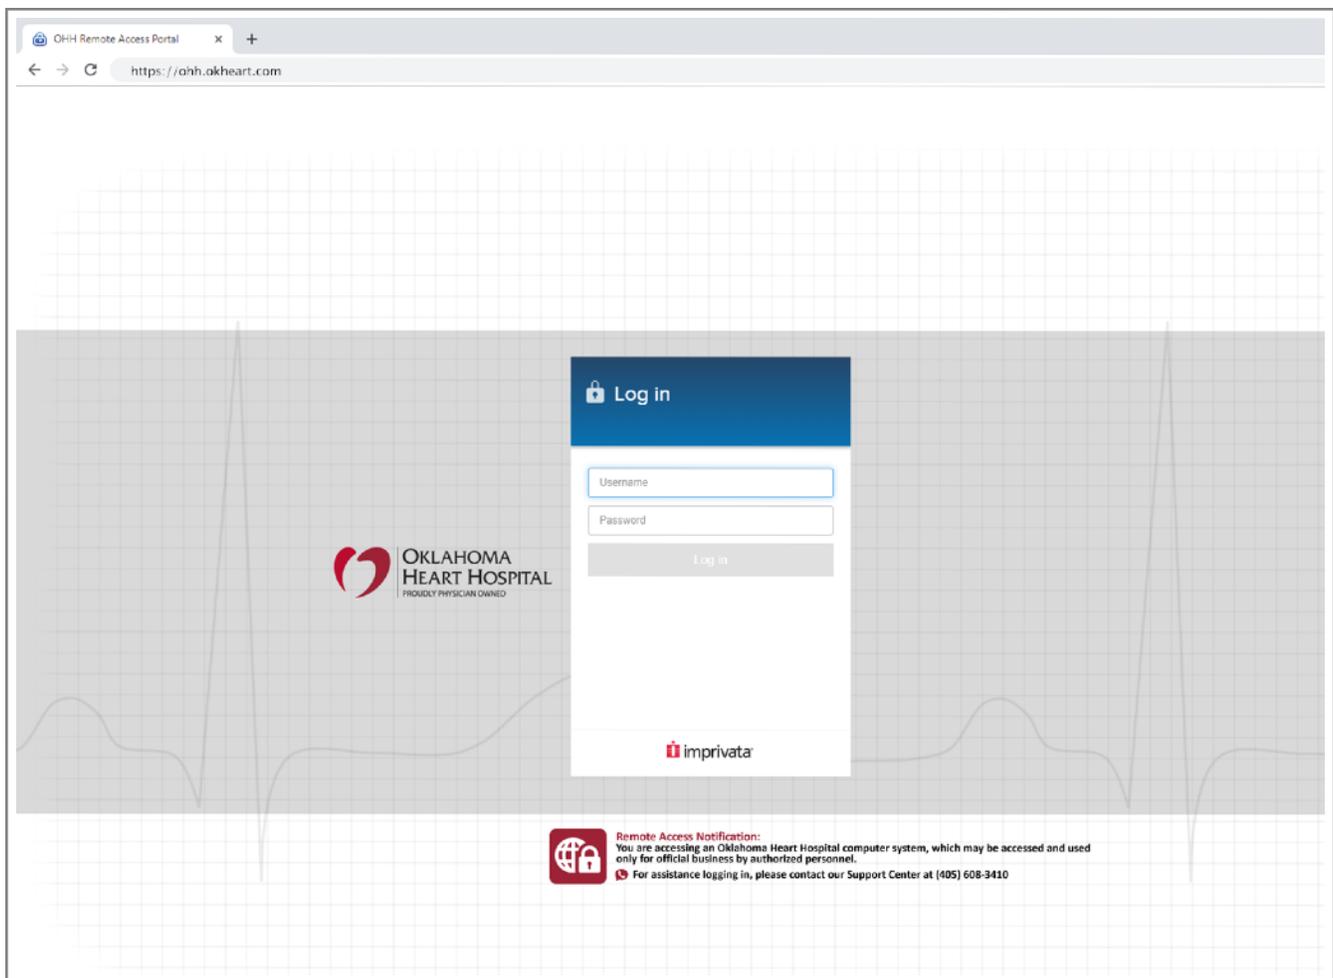

Bring your phone to a PC not on an OHH Network

It's time to sync the Imprivata app with your login.

Step 2

On a computer **not** on OHH's network (e.g. at home) go to **ohh.okheart.com**
Log in with your Windows credentials (not Cerner).

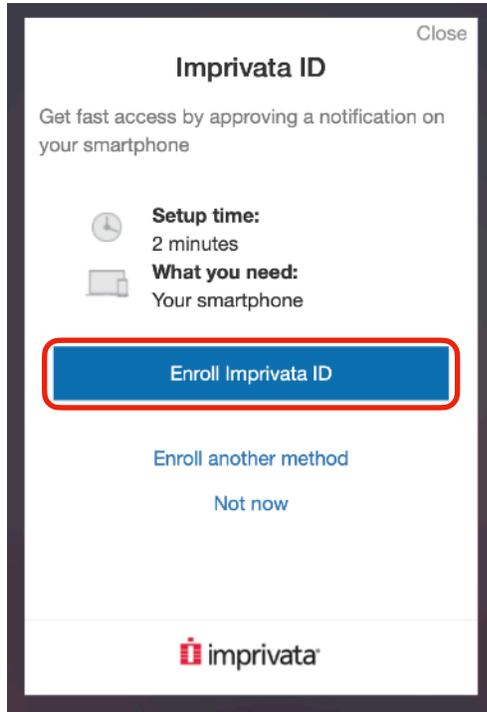

Note: This doesn't work in the Edge browser. Use Chrome or Internet Explorer.

The screenshot shows a web browser window with the address bar displaying "https://ohh.okheart.com". The page features a grid background with a faint ECG line. On the left is the Oklahoma Heart Hospital logo, which includes a red heart icon and the text "OKLAHOMA HEART HOSPITAL PROUDLY PHYSICIAN OWNED". In the center is a white login form with a blue header that says "Log in" with a lock icon. The form contains two input fields: "Username" and "Password", followed by a "Log in" button. Below the form is the Imprivata logo. At the bottom of the page, there is a "Remote Access Notification" box with a red lock icon and the text: "Remote Access Notification: You are accessing an Oklahoma Heart Hospital computer system, which may be accessed and used only for official business by authorized personnel. For assistance logging in, please contact our Support Center at (405) 608-3410".

Step 3

Click "Enroll Imprivata ID" on the computer.

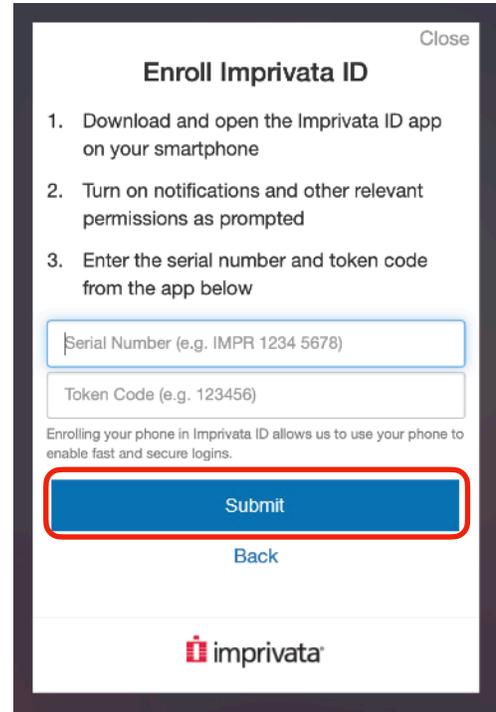

Step 4

Open the Imprivata app on your phone and type the numbers you see there, then click Submit.

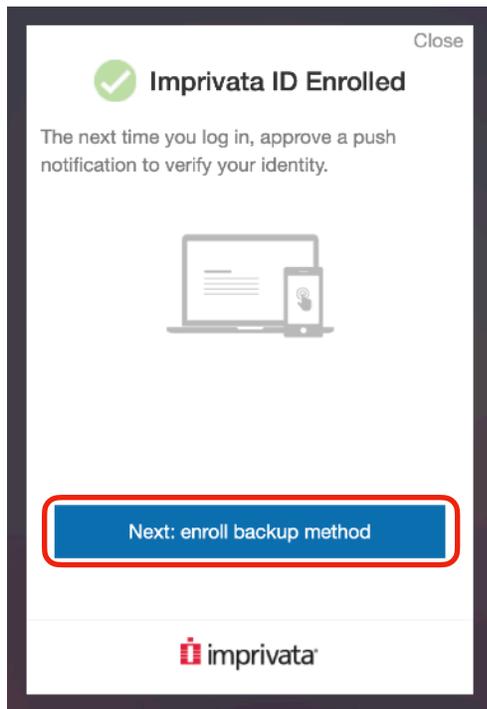

Watch the clock! You have 30 seconds to type BOTH numbers.

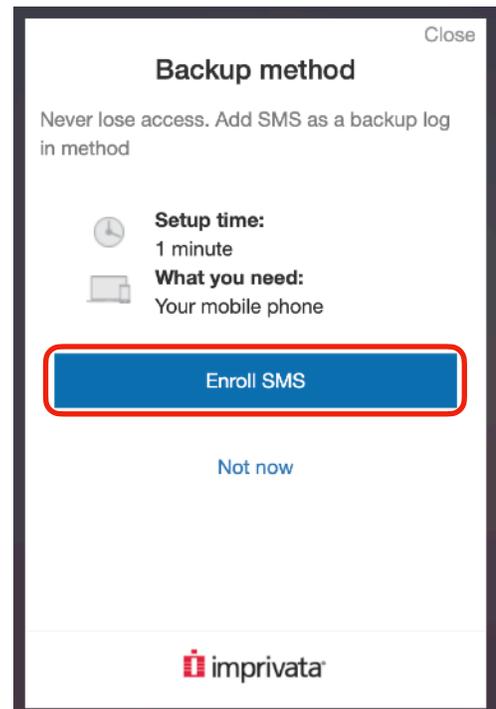

Step 5

Click "Next: enroll backup method"

Step 6

Click "Enroll SMS"

Step 7

Enter your cell phone number and click "Submit"

Close

Enter phone number

We will send a code via SMS to your phone to enroll you in SMS as a log in method

Standard message and data rates may apply

Submit

Back

imprivata

Step 8

Type the verification code you received in a text message. Click "Submit"

Close

Check your phone

Enter the code we sent via text to the phone number [redacted] to enroll in SMS as a log in method

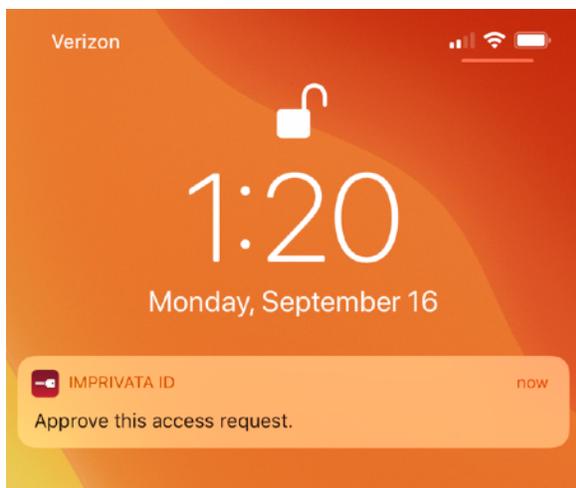

Not the right number? [Edit phone number](#)

Submit

imprivata

You're done.

Now when you sign in to the OHH Web Portal you'll see this:

Tap it to approve your access, and you're in!
